

Dear FCC,

(Re: MB Docket  
No. 04-233) 10-24-04

I am a faithful listener to K LOVE.  
I live in an apt in a senior residence &  
I listen <sup>NOV</sup> ~~MAIL~~ radio 24/7. And K Love is  
a blessing to me. I have only 1 place  
left to go and that is 'up' - heaven is  
my home.

TV is so 'foul' - I am used to a  
more decent form of viewing - so  
radio is my only entertainment.

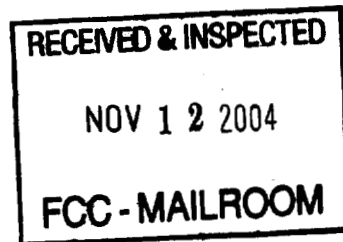

So please keep K Love as is -  
don't displace it by an LPM  
broadcaster.

Think of your mom and her  
last remaining years on this earth -  
wouldn't you want to do everything  
to make her last years happy ones?

So keep in mind your mom and  
keep K Love for your adopted mom,  
me.

Thank you and God bless you child.  
Joan

RE: MB Docket No. 04233

Gentlemen:

I am writing to you because of your plan to introduce a new broadcast service known as low Power FM (LPFM).

While the LPFM has been in service for some time now, and you are considering expanding LPFM to take priority over current FM translator services, it is not to the best interest for programming like K-LOVE and the hundreds of thousands listeners of this station. K-LOVE provides contemporary Christian music that sends a clear message of hope. The music is pleasant to the ears of the youth of today and it has a family oriented format. It is an alternative to the hard rock music with words of suicide, drugs and hate.

If you advocate the LPFM format, it will be saying that you hold little value in national or regional services, such as K-LOVE, which, is often heard on FM translators. These translators could be forced off the air if the proposed rule changes are enacted and LPFM is given priority over FM translator service and possibly leaving my area without a K-LOVE signal.

I believe that the programming of K-LOVE and other Christian stations do a service to our communities and more and more are listening. I, personally, do not want to lose K-LOVE. Please reconsider you view on this plan.

Sincerely:

This radio station (E-Zone) has brought me out of a time in my life where I had a choice to give ~~into~~ my challenges, I have had, due to a car accident I had in 2001. However, I decided to give into the unknown

and to firmly put my full "faith" in the Lord and believe I'd come through this, too.

Well, ~~being~~ ~~going~~ through this, I've grown and come to realize that Christ wasn't done w/ me yet.

So, I went through speech, physical and occupational therapy that helped me learn how to eat, walk, swallow and really give my short-term memory loss (a brain injury due to my brain being bruised) to grow.

So, letting you guys read this, I should let you guys know how much I've grown through this ministry. It's brought me through so much and reinvigorates a confidence I could of never gotten w/o your loving support, because w/o
